Remark

1. All Parameters, if not specified, are measured at 230VAC/50Hz and 25°C ambient temperature.
2. LED Driver is a component of the luminaires, Luminaires and wire layout will affect the EMC, please check the EMC with end products again.
3. Safety warnings for products and installation
KGP recommends the usage of an opto-insulated repeater dali compatible different modes:
 - 2 different power supplier (2 circuits,0-60V dc)
 - 1 circuit for 60V dc and 1 circuit for Data B
